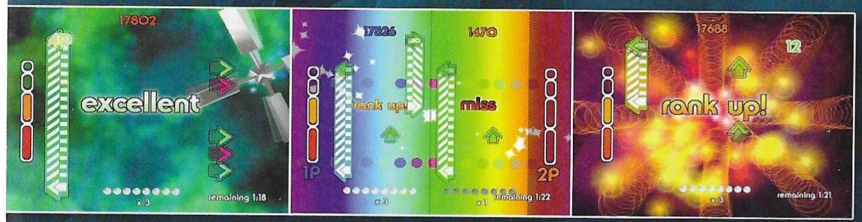
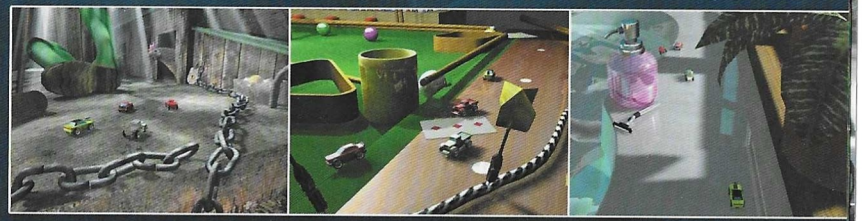
Dance to your own music CDs



Get down and party with the only PlayStation®2 game that gets you grooving to your own CD collection. No other dance mat game gives you such an unlimited choice of tunes. Pop in any music CD and Dance Factory™ choreographs the moves – live!

Great grown up fun!



Grab some friends, start your micro engines and prepare for the craziest and most addictive multi-player mayhem ever. The ultimate pick-up-and-play racing game, Micro Machines brings its own brand of hilarious multiplayer madness to the most fiendish race tracks – right under your nose!
